

## Two New Professorial Chairs

The University of Western Australia (UWA) is a member of the prestigious Group-of- Eight leading Australian research-intensive universities. With a reputation for international excellence and ranked among the top 1% of universities in the world, UWA's continued success is on target for its longer term goal of reaching the world top 50 by 2050.

### Drive Innovative World-Class Research and Improve Health Outcomes

#### DAVID HARTLEY CHAIR IN RADIOLOGY | REF:497903

Royal Perth Hospital, UWA Medical School

Royal Perth Hospital (RPH) is Western Australia's longest-servicing hospital and is renowned for contributing to innovation and excellence in medical research and patient care. As a premier teaching hospital, RPH has a number of joint appointments with local universities, hosting many significant medical breakthroughs while embracing an enviable global reputation that includes Nobel Prize-winning discoveries.

The Chair in Radiology provides a challenging opportunity for a suitably qualified person with a record of leadership and achievement in an area of diagnostic and interventional radiology and research.

**For information regarding clinical aspects of the position**, please contact Dr Elizabeth Wylie, Head of Department of Radiology, Royal Perth Hospital on +61 8 9224 2126 or email: liz.wylie@health.wa.gov.au.

**For academic aspects of the position**, please contact Professor Christobel Saunders, Discipline of Surgery, UWA on +61 8 6151 1108 or email: christobel.saunders@uwa.edu.au.

#### LAWRENCE-BROWN CHAIR IN VASCULAR SURGERY | REF:496890

Fiona Stanley Hospital, UWA Medical School

Fiona Stanley Hospital (FSH) is one of Western Australia's premier tertiary public hospitals and works in collaboration with university staff and researchers involved in the delivery of allied health, medical and nursing education and training, to enhance and improve health care delivery for all Western Australians. The Chair in Vascular Surgery provides an outstanding opportunity for a suitably qualified person with a record of leadership and achievement in both clinical and academic vascular surgery. The default base for clinical service is FSH but other hospitals may be considered.

**For information regarding clinical aspects of the position**, please contact Mr Richard Bond, Head of Department of Vascular Surgery, Fiona Stanley Hospital on +61 8 6152 6612 or email: Richard.Bond@health.wa.gov.au.

**For academic aspects of the position**, please contact Emeritus Professor Paul Norman, Fiona Stanley Hospital on email: paul.norman@uwa.edu.au, or alternatively contact Professor Jeffrey Hamdorf, Discipline of Surgery, UWA on +61 8 6488 8044 or email: jeff.hamdorf@uwa.edu.au.

Applicants must hold appropriate higher qualifications and be registered or eligible for registration as a medical practitioner in Australia. Appointees will undertake a full range of academic responsibilities for graduate and postgraduate teaching, supervision and research as well as clinical responsibilities in their relevant disciplines

- 5 year fixed term with the possibility for renewal
- Professorial (Level E) and hospital salaries
- Access to private practice (limited or election to a private practice allowance)
- Generous start up grant will be provided
- Employer contribution to superannuation is 17% of salary
- Recreation leave of 20 working days per annum
- Long Service Leave after ten years
- Eligibility for sabbatical leave
- Relocation assistance including airfares and short-term accommodation

#### Closing date for positions:
