Perth Western Australia  
Call for papers

**Guest Editors:**

Prof. Wei Wang  
Dr. Rosie Meng  
Dr. BK Tan

This special issue of the Australasian Medical Journal offers a platform for researchers, health care practitioners, and innovators to showcase methods and processes that impact on health care in China. You are invited to submit papers in the following topics:

- Public Health
- Clinical Research
- Innovation in Health care
- Health care system design

The AMJ is a fully peer reviewed journal, and features papers from a broad base of medical and paramedical researchers / experts. The scope includes research and audit through to discussion and opinion. We are especially keen to receive papers from new and emerging experts including students. Above all the AMJ adheres to the highest standards with particular emphasis on the novelty of ideas but also methodological and ethical rigor. For more information of AMJ, please visit <http://www.amj.net.au/index.php?journal=AMJ>

**Abstract specifications**

Please submit a 300 word abstract to describe your research/project. This must be in Microsoft Word format. Under the headings: Background, methods, results and conclusions. You can email it to: Professor Moyez Jiwa – [editor@amj.net.au](mailto:editor@amj.net.au)
